Dear Becky,
Lots of luck to a real
sweet and cute girl. Remember all
of the fun we have had in 1st.
period ship. Ed.: I'll miss you
next year, but aren't you happy
you don't have to take it.
Please remember me.
Love ya.

Becky,
I'll, write at the end
of another year and we
we were in each other's home
room again. I saw how much
fun, wasn't it? Remember all
the good times we had and
the years in back of us.
The time when we were
together in our little
home.

the class with you. I
still wish you would
tell me what you were
worrying about. Robert

Becky,
Lots of luck to the sweetest
nicest, cutest, most wonderful
girl in the whole wide world. I
will always remember you. I
hope you will remember me. Be
good, and always stay the same
loveable Becky that you are now.
See you around.

Love ya.

FOREWORD

Powell Valley High School is a living personality, with aims, ambitions, and traditions that we are fashioning. Our building has mellowed and has acquired a "lived-in" look. A picture added here and a book there, each blending to make the physical plant this personality. Progress is difficult to pinpoint; we can't always see where we are going, what we are doing, or even where we have been. Yet, viewed in close perspective, we see that through cooperation, hard work, and much planning the varied halting steps we have taken in the past two years have made a definite thrust forward.

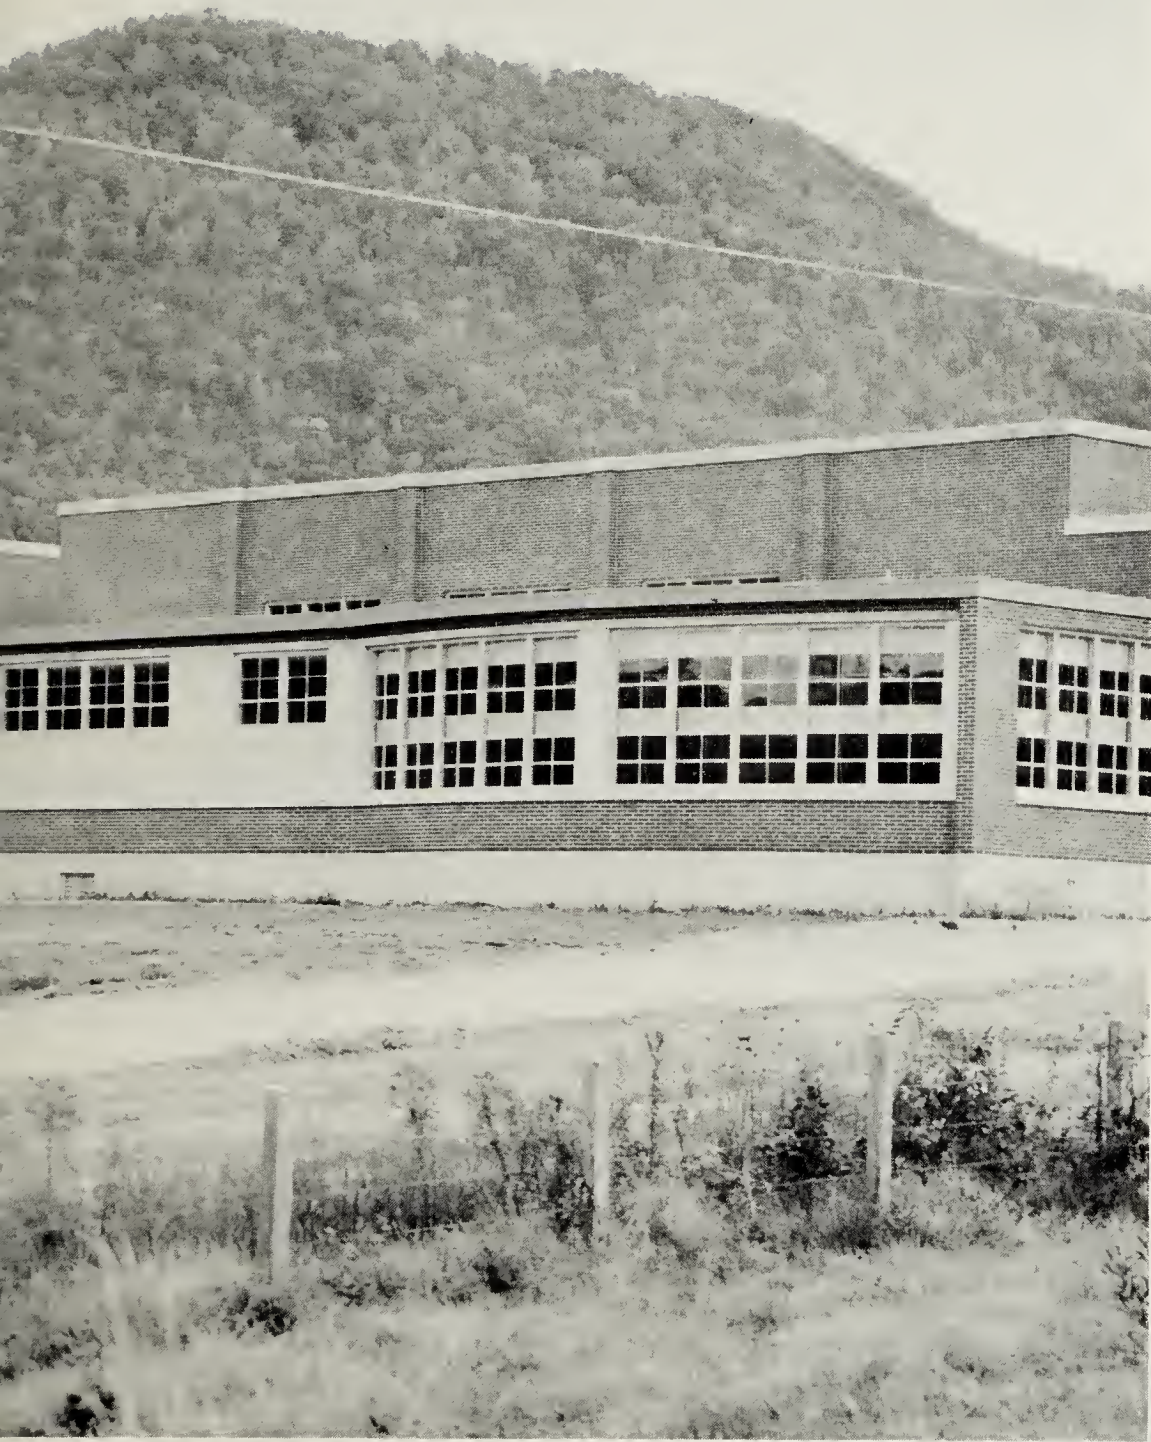

In this, the Second Edition of the VALHALLA, we record life at Powell Valley, life as we lived it through this school year—1960-1961.

Becky,
 A lot of things have happened to us
 in the band, we club + Latin class. I guess
 the main thing is we got our driver's
 license. I pity the other people though.
 Next year we'll be seniors and know
 knows what will happen then. I've
 really enjoyed your friendship. This year
 and hope it will continue. You are
 real cute + sweet + everything.
 Love, love,
 Blossie

To Vikings bold we give our love,
 Our dreams, our tributes true.
 Through life's full course
 our hearts will move
 To bring you honor too.
 So hail to thee, O noble school;
 Stand firm and strong and right;
 And may we ever look to thee
 For strength, love, and purity.

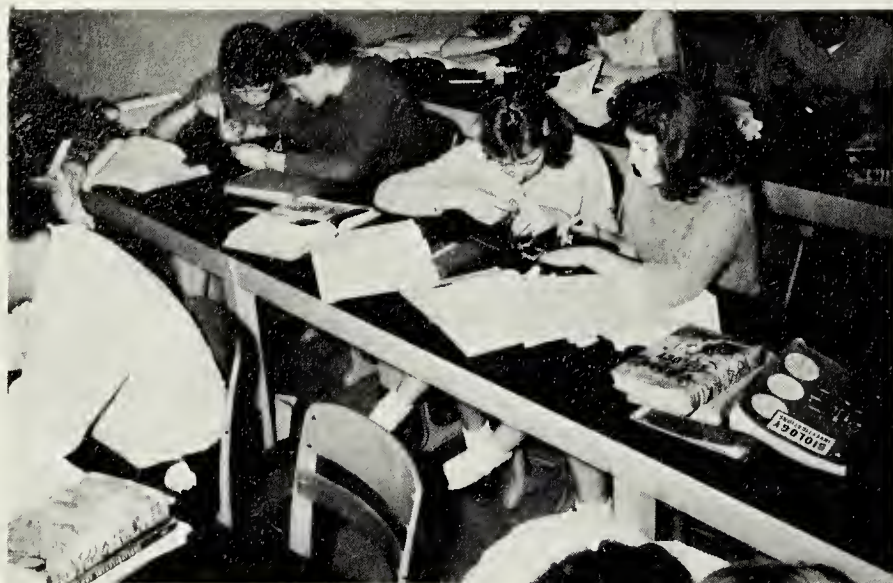

Bucky,
 The very best of luck
 to a real sweet and
 cute girl. Don't forget
 all the good times we
 had together in classes, at
 lunch, and all the rest.
 Stay as sweet and friendly
 as you are and you
 will find happiness.
 Good Luck and May God

DEDICATION

To educate each one to his maximum is the essence of the American dream. This dream takes as many forms as there are communities. Behind each student at Powell Valley High School are parents with hopes, dreams, and aspirations for these young men and young women, who believe in this American dream of improving one's mind. In our beautiful building here at Powell Valley we see evidence of interested patrons—mothers, fathers, sisters, brothers, and businessmen, who have given us concrete proof that they consider our welfare to be of primary importance. Some of these patrons sacrifice many pleasures of life to give these opportunities to us. Sometimes we students take too lightly these great gifts which cost us very little but will, if properly used, pay vast dividends. It is to these devoted parents and patrons that we dedicate this, the Second Edition of the VALHALLA.

*Best of luck
to a very sweet
girl. Remember all
the fun we have had
together this year. Just
think we will be seniors
next year. Stay the way
you are now and I'm sure
you will succeed in life!

COLLEGE NIGHT.

We boarded our buses and proudly began another year at Powell Valley High. . . . hot days. . . . smothering. . . . and noisy as a result of road construction crew which plowed, moved, plowed, and moved. . . . United States Marine Band visited us to bring color, pagentry, and beautiful music. . . . A new season opened on the football field causing sore muscles, tired boys, and anxious coaches September changed to October with a flurry of color and autumn smells. . . . College Night at Norton made us feel as though we were really SENIORS. . . . and, oh the confusion that we faced about our life after graduation! Another band trophy came to join our collection. . . . and Halloween came and went quietly. . . . Football ended with the stiff rivalry between Appalachia and Powell Valley causing a bit of "egg"citement. . . . November caused seniors to ask, "Are our class rings here"? Senior sponsors almost lost patience. . . . when suddenly. . . . they appeared, just in time for Thanksgiving holidays . . . our first vacation . . . Christmas was on its way with "Jingle Bells" and "White Christmas" echoing through the halls . . . CEEB's were given at Clinch Valley College for the brave . . . and reports were returned for a New Year's present . . . "Elmer and the Lovebug" was presented by the Speech Club . . . and Navidad Programma, the annual Spanish Club Christmas program . . . New Year brought resolutions, plans, and problems . . . Examinations brought vows to study harder the next semester . . . Basketball games lost by fractions of points . . . Snow, Snow, and more SNOW made us know that winter was definitely here . . . College applications were put in the mail and we settled down for the long wait to see whether we would be accepted . . . New sweaters and trinkets . . . as Christmas gifts with an occasional

Dear Becky Lou!!

Yes I remember all the mean things we
did & how hateful we were! (still are!!) I could
never forget that day when we went to
the river to go swimming! That was
sickening! We've had a lot of fun together
in spite of the best, haven't we? Playing dolls,
cooking seed pods & making mud pies & cakes,
bug! what fun! Remember when Dennis lived
here?! We used to fight over him constantly.
Maybe sometime one of us will get out
and we can go someplace. Ok? I'll never
forget you for you have been one of my closest
meanest & craziest friends. Good luck & lots
of success to you & yours. Love always,

SENIOR CLASS HISTORY

Four years ago, we began what seemed to be a long adventure through high school but now, as we reminisce, it seems as if only yesterday we were excited eighth graders, ready to take any drastic measures to conquer the fierce world before us.

We were even more resolved as Freshmen to develop our abilities and talents in order to reach that great realm of the future.

Our sophomore year brought about plans for the future, what courses to take, whether we should go to college, and what vocation we should choose. Those decisions have been the basis of what school really means to us.

As juniors we had many highlights. One was the choosing of our class rings which symbolized our approaching seniorhood. Our magazine sales were a lot of fun and we were proud to have exceeded the sales of the previous year. Still lingering in our ears are the beautiful phrases of "Moonlight and Roses," the theme for our prom. This will probably be our most cherished year of all. We mustn't forget our five representatives to Boy's and Girl's State. Their experiences gained there will always be treasured.

As the bell rang on August 25, 1960, we began our oncoming year as seniors. We will always remember the anticipation and planning for the "Washington plus New York" tour and we can never forget how wonderful our trip was.

We can still remember the laughter when Grama Binion says, "I'm not thinking, I'm praying," and Ova's remark, "Right dry," in the senior class production of Jesse Stuart's "The Thread That Runs So True."

Our Glee Club again filled us with joy and humbleness as we listened to their arrangements of the Christmas carols.

Another wonderful sound to our ears was the stately strains of "Pomp and Circumstance." Joy and excitement filled our hearts as we heard our names called and went forward to receive our diploma. It felt good to hold this precious certificate in our hands. We think for a moment of all we are leaving behind, but better yet, all that lies ahead.

We have had many facilities and opportunities offered to us through the efforts of our teachers and parents. By using these aids, we acquired a new key each year that will help to unlock the doors of future success and happiness. Having been able to overcome many obstacles, we are ready to meet the future.

As we leave these hallowed halls, our prayer is to bring peace and joy to the world. We look to the future with pride, hope, determination, in that through our efforts we may make this world a better place in which to live. We keep alive this principle, whatever we try to do in life—in building a career, a set of personal morals, a family life, or any task we strive to do—is doomed to fail unless we are in partnership with God in the doing of it. He must be at the center; He must be the builder. Herein lies the answer to a better world.

The Junior year is one of the most exciting years of high school—new friends, new plans, old friends, old routines and then new problems. We have reached a very important milestone of our educational and social life. We have now acquired the habit patterns and foundation for future ways of life.

Many activities make up this wonderful year in our lives. Each Junior, having turned on his charm, could be found knocking on doors helping to promote the magazine sale. This role finances the next edition of the Valhalla and our Prom. Our Prom was a wonderful highlight of this year and we are left with pleasant memories from it.

Another exciting event took place the day Mr. Seale measured us for our class rings. Our thoughts then wandered to the occurrences that would take place when we became seniors.

Our class was represented by members in the various clubs of Powell Valley which imprinted unforgettable experiences upon the screen of our minds.

This year has been but one step to our maturity. Many people had a part in helping us make the hurdle, but we ourselves remain responsible for the final result.

We as Sophomores are now in full swing with the routines of high school. Many problems confronted us but we learned to tackle each with spirit. We now realized that in growing up, there were many hurdles to jump, many thorns and thistles along our paths to discourage us and cause us to be downhearted. We began to take on more adult problems and to share more responsibility in everyday tasks.

The present class of 169 students began in the first grade in 1950, with eighty-two entering Big Stone Gap and East Stone Gap Elementary Schools.

Somewhere along the way we lost many students and gained many students. It is a transition year for us in which we are beginning to mature and find ourselves through the guidance of our teachers.

We ninth graders had looked forward to this year with anticipation, but also with slight reservation of fear at the thought of the harder subjects we'd be taking and the greater responsibility we'd have to assume. We now felt a real part of high school because we began joining clubs, participating in more school activities, and teasing the eighth graders, but at the same time we realized just what they were experiencing. Looking back, we can see how this year has been a period of realization, mistakes, new friends, and wonderful experiences. The ninth grade, like the beginning of a beautiful day, has been the beginning of a fruitful phase of our lives, during which each of us set his goal and made a serious attempt to accomplish it. We sincerely thank our patient sponsors for their help and encouragement just when it was needed most.

Few eighth grade classes have had the good fortune that we of the Powell Valley class of 1960-1961 term have had: the opportunity to start our high school career in a new, modern, well equipped school, properly named and well located, to accomodate the entire upper valley. With this new, modern school, staffed by a well qualified faculty, the doors of opportunity are opened to us if we will only apply ourselves.

We, the eighth grade class, wish to express our appreciation to the School Board of Wise County, our teachers, and citizens of East Stone Gap and Big Stone Gap for the work they have done in assuring us the benefits of a good education.

With the consolidated Powell Valley High School starting its first full year in our new building, everything was in full swing from the beginning.

The band, although hit hard by graduation, had their high reputation to maintain. From the first faint beat of the drums in Bullitt Park, our hearts were set toward that goal.

Many miles were traveled to our brisk cadence or to our brilliant marches. None of the late hours spent on the drill field were in vain, as can be seen by the gleaming trophy which was won by the band at the Tenth Annual Band Festival held in Bristol. The band members would say that this trophy was won under slightly adverse weather conditions.

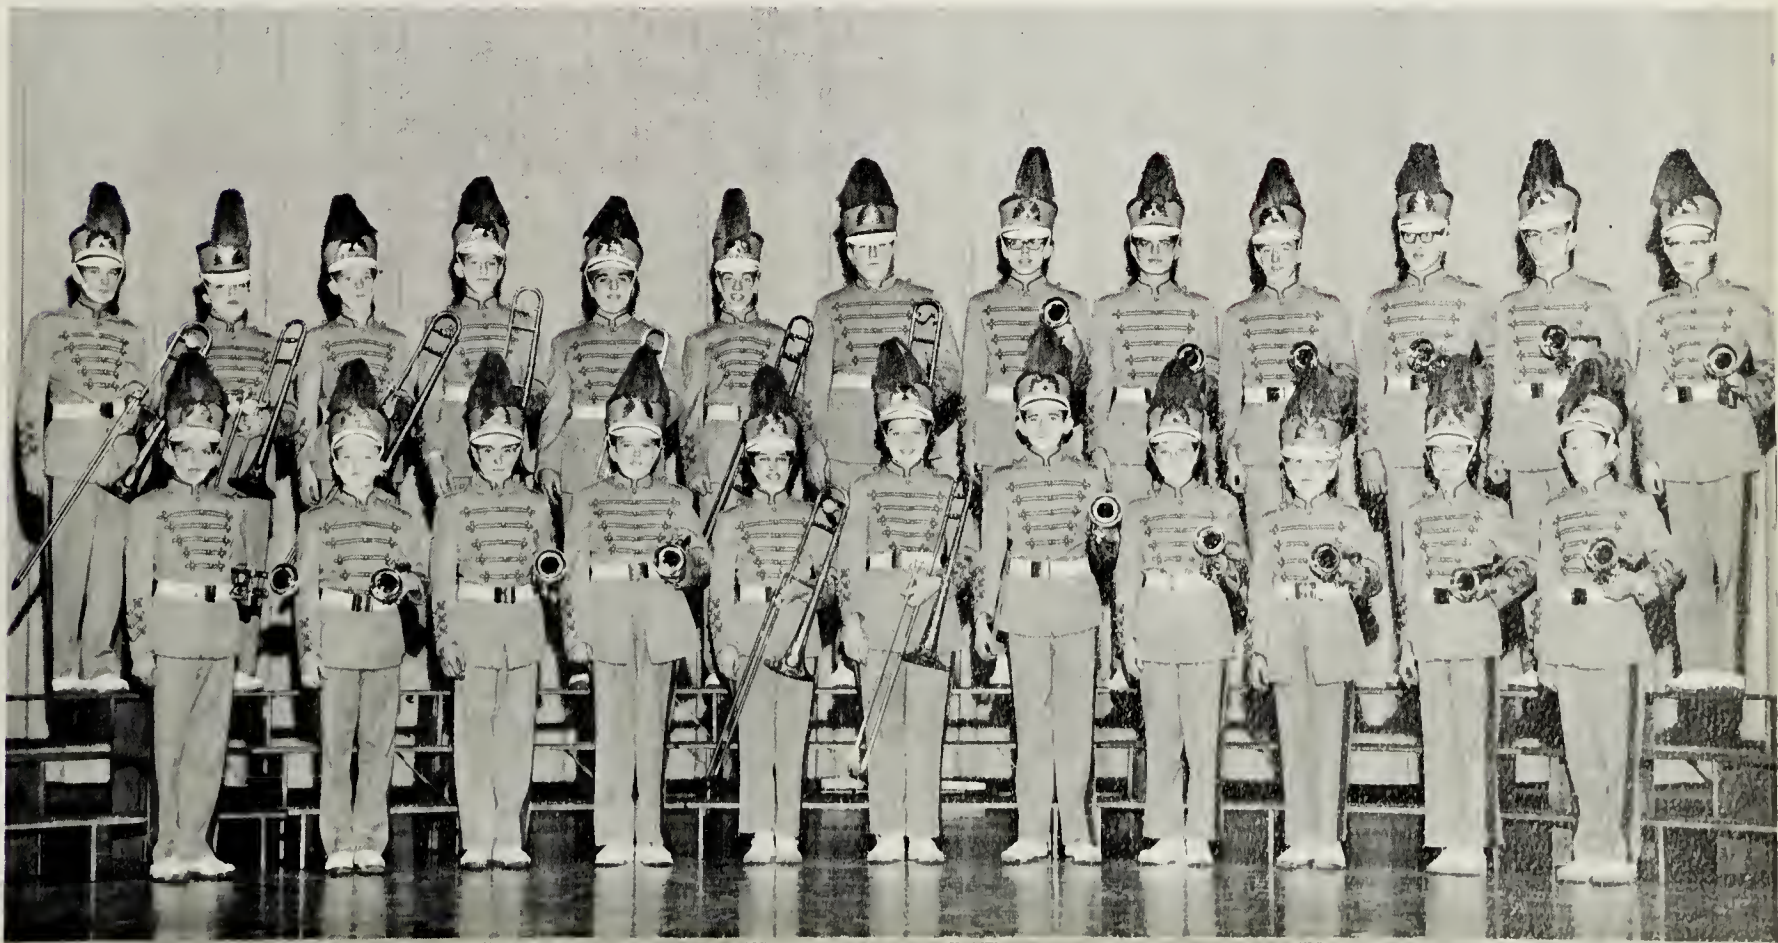

After football season, many members participated in the two All-County Bands at Norton and Appalachia.

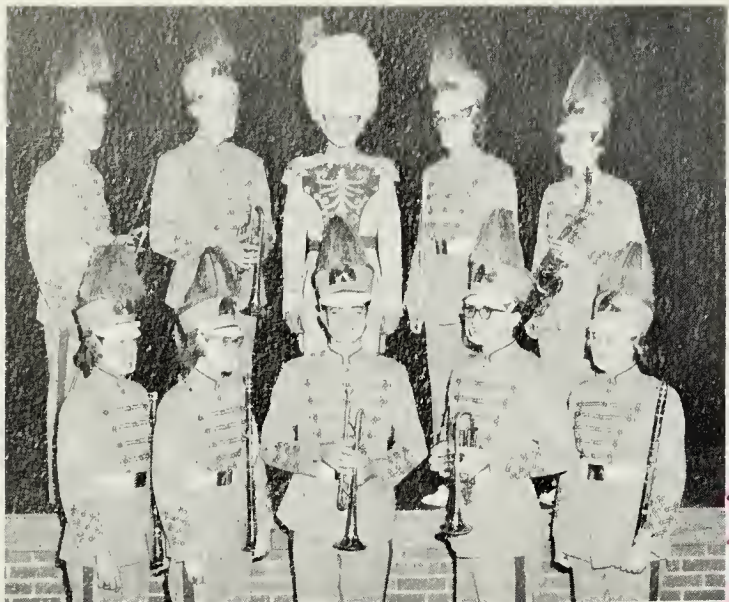

After many long hours of practice on the stage, where music is really learned and appreciated, we participated in the annual Regional Band Festival in March.

Later we presented our annual Spring Concert, playing music of all kinds to fit everyone's taste, while featuring the seniors.

Undoubtedly none of this could have been attempted or achieved without the intelligence, the patience, the unfaltering love of Mr. and Mrs. S. H. McChesney, better known as Mr. and Mrs. "Mac"

Being a member of the Glee Club is one of the most desired and coveted positions in our high school. Many hours of practice constitute the scene before we present a program in song. We all feel a sense of appreciation for our school, and especially for our wonderful facilitated choral room. Under the capable direction and guidance of Mr. Gibbs the 1960-1961 Glee Club enjoyed its most successful season.

The Washington or Bust plus New York group left with a bang for a long anticipated and well-planned Easter vacation. For weeks before, boys and girls planned wardrobes, saved pennies, and talked vacation. We are sure that a more excited group never landed in Washington or pounded the pavements of New York City. It was a brief, swift vacation leaving in its wake floods of pleasant memories.

This year we have attempted to put into practice the purpose of our Hi-Y Club, "To create, maintain, and extend throughout the home, school, and community high ideas of Christian Character." Our platform is, "Clean speech, clean sportsmanship, clean scholarship, and clean living."

This year we performed many useful projects in our school and our community. Thus far we have prepared a basket of food for a family at Thanksgiving, and bought red corduroy to make our trophy case more attractive, and bought curtains for the clinic. Our goal this year is to become an Ace Club.

We hope that through the guidance of Miss Cox, Mrs. Brooks, and our sponsors, the Lonesome Pine Hi-Y Club will continue as an active service organization of our school and community throughout the coming year.

The Powell Valley High School Key Club is a part of the Key Club International, a club sponsored by Kiwanis International. Its motives include developing initiative and leadership, providing experience in living and working together, and preparing for useful citizenship. These motives help to develop traits and moral standards which will be used as guideposts in the future by all Key Clubbers.

During this year some of the Key Club activities have included collecting food, toys, and clothing for needy families; delivering baskets which were made up by Kiwanians and Key Clubbers for needy families; helping in the March of Dimes drive; lining off the football field for home football games; directing traffic at home basketball games; having record hops; and our annual cor washes.

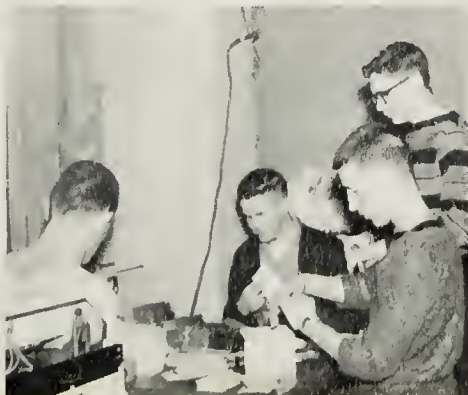

The club also sponsored our annual Chorter Night Banquet. The highlight of our social year was the Kentucky-Tennessee District Convention at Knoxville, Tennessee. At these business meetings Key Clubbers gather to discuss the past year's events and to propose new activities for the following year.

The Key Club, having "We Build" as its motto, has tried to be of service to the school and community in the past year. Our sponsor, the Kiwanis Club, has helped us very much. Special attention has been given us by our Kiwanis advisors, Mr. Paul Horry Miller, Mr. Brownie E. Polly, Jr., and Mr. Bill Akers. Their guidance and supervision have been of great value to us.

Initiation Day

Cafe de Parce

This is the French Club's first year at Powell Valley High School. We have spent most of the year getting our club well organized. We have adopted a constitution and have made laws. We as yet have not participated in many club activities.

Our major project was a French assembly which members of the French wrote and performed under the direction of our teacher and sponsor, Mrs. Donna Raines.

The purposes of our French Club are to serve as a social function for the members of our organization by the presentation of various programs which illustrate the beauty and color of the language and ways of life of the French people, to gain a greater understanding and appreciation of the French language and customs of the French people, and to promote a more intimate relationship between the citizens of France and the United States.

The Spanish Club is composed of all students taking Spanish. The purpose of the Spanish Club is to learn more about Spanish literature and customs, and to encourage a better understanding of the Spanish speaking peoples.

A permanent feature of the Christmas season at Powell Valley High School is the Spanish Club Christmas program, the Navidad Programma. Highlighted features of this program include: the bull fight, the Mexican hat dance, the Christmas caroling, and Poncho and Gonzolas. The second year members of the Spanish Club were awarded pins and the social outing of the year was a picnic.

Members of the Spanish Club consider this year of study a worthwhile investment.

The Roman Club is comprised of those students taking Latin I and Latin II. In the first year of Latin we learn the structure of the Latin language, some ancient history, and some of the myths and folktales from those times. In the second year we learn constructions and translations of more complicated Latin. One of the sections that is most interesting is the Commentaries of the Gallic Wars, written by Julius Caesar, the great Roman soldier, orator, and statesman.

Early in the year we elected officers, taking two from the first year group and two from the second year group. Some time after mid-term the second year students, at a party held in the cafeteria, initiated the first year students dressed in the usual hilarious outfits. At the same time the second year students were awarded their J.C.L. pins. The Roman Club is a chapter of the Junior Classical League, a national organization composed of local classical clubs in high schools throughout the United States and its territories.

In past years the Roman club has been responsible for the Easter Seal sales which support the Crippled Children Foundation. Saturday before Easter found them busy soliciting donations throughout the town.

We would like to thank our sponsors who have helped to make this another successful year for the Roman Club.

At the beginning of the new school year we had our first speeches—those in which we told something of ourselves, interests, and ambitions. The main purpose was to help us overcome our number one enemy—stage fright.

At the year progressed, we also progressed but learning was fun for all of us.

The highlight of the '60's was the presidential election and the Speech Club created even greater interest in the election by presenting our own political campaign. Still, campaign slogans may be heard ringing through the halls and we feel the same proud emotion of being an American.

Before Christmas we presented our first one-act play entitled "Elmer and the Lovebug." The proceeds will be used for future necessities.

In the spring we hope to enter the forensic and dramatic contests act play, serious and humorous readings, and a series of debates.

Although speech is one of the most entertaining courses presented, it is also one of the most helpful. Facts learned in speech are very helpful in everyday life and this learning is brought about by our very capable teacher and sponsor, Mrs. Grace Rose.

The Library Club, a very active club of Powell Valley High School, consists of twenty-one members who excel in their academic studies. The purpose of the library is to encourage wider use of our educational materials.

The club presented a very interesting assembly program during National Book Week called, "The Guilty Ones." We also entertained the faculty, celebrating the one-year birthday of our school. Book marks were designed and distributed to Powell Valley High School students and to those at Big Stone Gap Elementary.

Our sincere thanks and appreciation go to our versatile sponsor, Miss Billie Jean Scott.

American Art Week ob-
served by the Art Club

Everyone likes a picture, and almost everyone likes to create. The Art Club is one vehicle through which students at Powell Valley High School may express themselves. Our first experience as art students was to draw and color birds.

Activities for the year were varied. We presented an assembly on art in education as well as entered several contests. We entered the "Keep Virginia Green" contest and drew Christmas cards which were displayd for the student body to see. We had a Christmas party and a Valentine party. In February we drew scenes and colored pastels. These were sent to Appalachia High School where they were judged by the students and teachers on the basis of their originality and color blending. Wanda Bentley won three First Places with sketches entitled, "Glorious Sunset," "Black Thought," and "Peaceful Valley." Patsy Akens won Second Place with "Twilight Zone." Charles Reed captured Third Place with "Old Shep."

We have studied art appreciation, portrait painting, and sketching with water colors. We have learned much from our year's study of art in techniques as well as in art appreciation.

The D. E. Club has ended its second year at Powell Valley by attending the Annual Convention at Appalachia High School. All our class members participated in the cantests held at this convention.

The Distributive Education Club is composed of boys who work at a job during part of their schaal day and in their spare time. The purpose of the program is to give on-the-job training for which they receive two credits, one for class wark ond one far outside work.

The D. E. Club sald mums far aur homecaming football game. We also attended many meetings and activities held in the various D. E. Clubs of our district.

We could nat have oaccomplished all these things if it had nat been for the guidance of our leader, Mr. William Curry. We feel that our experiences in this year of training in business an the practical level will help us in the future.

Vacational Office Training, or V.O.T. as most of us know it, has as its primary objective the training of students to a point of occupational competency. This is a course for seniors which offers them a chance to learn and at the same time get an-the-job experience.

There are two units in the V. O. T. course, filing and machines. The filing unit is included in the course to give the students experience in various methods of indexing, filing, and arranging papers by methods used in business offices. The unit on machines gives the student an opportunity to master such machines as the duplicator, dictating-transcribing machine, calculators, the bookkeeping machine and the electric typewriter. When we master these two units of study, we should have no difficulty obtaining a position in a business office today.

Future Homemakers of America is a national organization of pupils studying homemaking. We of the Powell Valley chapter have tried to relate theory with practice through projects.

To raise money for our Mother-Daughter Banquet in the spring we sold Christmas paper and Christmas cards. The club made Christmas packages for underprivileged first and second graders of Big Stone and East Stone elementary schools.

We are thankful for our very capable leaders, Mrs. Kathleen Horne and Miss Daisy Fitts, who have helped us to attain our goals. Our plans are to surpass these achievements with higher goals in the future.

Assembly line in the Business Department as the VALHI goes to press

The Future Business Leaders of America Club forms a sound foundation for business careers for many young people today. Any student who is enrolled in at least one business course is eligible for membership.

Some of the purposes for which the organization was formed are: (a) to develop competent, aggressive business leadership, (b) to strengthen the confidence of young men and women in their work, (c) to create interest and understanding in the choice of a business occupation, and (d) to develop character, train for useful citizenship, and foster patriotism.

Among our activities this year has been a bake sale. The selling of school stationary and pens helped to supply the funds for our FBLA Banquet in the spring.

The 4-H Club of the 1960-1961 school session was organized late in the first semester. At the second meeting officers were chosen and projects were selected. The members began preparing these projects for judging in the late spring. Pins and medals are awarded to top project winners. Any member who wishes may attend a summer 4-H Camp in either Greeneville, Tennessee, or Hilton, West Virginia. We would like to express our appreciation to our sponsor, Mr. James McCormick.

The Girls Athletic Association of Powell Valley High School consisted of girls interested in athletics who must maintain a satisfactory standard in their school subjects. The purpose of this organization is to encourage and promote physical fitness and mental ability.

All of the girls worked toward the goal of 100 points. Membership was a reward for those who reached the goal. Points are gained by participating in the sports of hiking, bowling, swimming, skating, tennis, badminton, hockey, baseball, softball and basketball. These were only a few of the accredited sports.

During the year officers carried on a campaign for the purpose of selling Powell Valley Viking sticker pennants.

Even though this was a newly organized club, it accomplished much in the year. Each girl abided by the constitution and set an outstanding example of how much she had gained by being a member of the club.

Our hope is that in the future, we may be more beneficial to our school in that the girls will be more encouraged to pursue good athletics and good sportmanship, two of our main goals this year.

*Back to the future
and the future of the future
the future of the future*

On August 15, the Powell Valley Vikings, under the instruction of Mr. Burchell Stallard and Mr. Cecil Maddux, began their second season on the gridiron. Of fourteen lettermen left from the '59 season, only nine returned, but the boys substituted hard work for inexperience, picked up new tricks of the trade and produced a grand Viking team for the '60-'61 season. The boys worked well as a team, and by putting forth 100% team effort in all games, they came through with a sparkling six-to-one record. They certainly deserve recognition for their fine showmanship.

The Viking Junior Varsity team, coached by Mr. Morgan Bolling, began practice on August 15. About thirty-five boys reported on the first day of practice, but by the end of the season this number had dropped slightly. These boys were young and inexperienced, but they were in prime condition and ready to roll. And roll they did as they came through the season with a sparkling 4-0-1 record.

Basketball season opened the third of December and the boys, coached by Cecil Maddux, were ready and eager to begin. But bad luck and bad breaks barred the way as the boys lost several tough ones. Finally our losing ways turned to winning ones, and we rolled off eight straight wins to close out the regular season.

The starting five, which usually sparked the team, were Jimmy Galloway and Bruce Shull as forwards, John D. Williams as center, and Joe and Jimmy Graham as guards.

Coach: BURCHELL L. STALLARD

It's jump and twist and turn and bend!

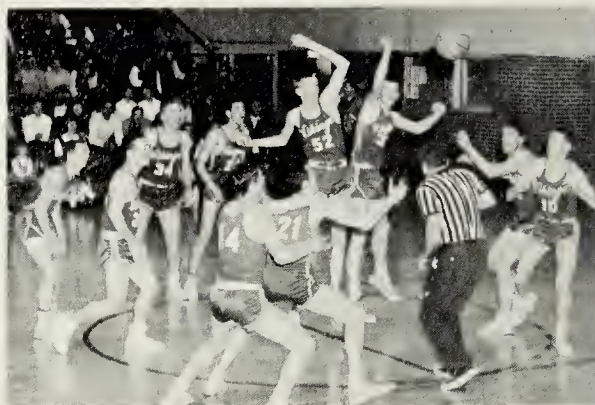

The Junior Vikings, coached by Burchell Stallard, suffered an opening loss and then roared through what was to be the best season they had ever had. The J. V.'s were led by Jack Graham at center, Richard Taylor and Tommy Reed as forwards, and Fred Baker and Hollie Smith as guards. These five were backed up by very good substitutes but they seemed to carry the bulk of the load and did a fine job doing it while winning 13 and losing 4.

The Varsity Club is an organization made up of all students who have lettered in interscholastic sports or who have served as team managers or cheerleaders. To be a member of the Varsity Club requires the combination of hours of practice and a high scholastic standing. A Varsity Club member should represent a happy combination of brains and brawn.
